Re: Informational Meetings and Videos

As you are aware, the country is presently experiencing an outbreak of Coronavirus, known as COVID-19. Due to the pandemic and “Stay Home, Stay Safe” orders, the Western Metal Industry Pension Fund will **not** be able to schedule informational meetings in the foreseeable future for participating employees and retirees.

In lieu of in-person meetings, the Board of Trustees decided to provide informational videos consisting of information typically presented by the Trust Advisors at the meetings. These videos will soon be made available on the Trust website. If you would like to schedule a virtual meeting, please reach out to your Local Lodge president, who will be coordinating with the Administration Office.

The Trustees understand that you may have questions regarding the future status of the Plan and encourage you to view the informational videos and check the Trust website periodically for future updates.
